Program

After a quick snack break Nancy Carr introduced our speaker, Annie Smith, who shared strategies for organizing fabric stashes and examples of how to use up scraps stashes that never seem to deplete. Annie shared inspiration for individualized storage arrangements for various sewing room/fabric storage configurations.

Vicky Kidd convened a quick Executive Board Meeting immediately following the program to discuss expense for the Bessie Mitchell House rental agreement to go through June 2025 to secure our pick of date/schedule and hopefully prevent recurrence of situation we experienced in February with having to secure a different venue.

The meeting was adjourned at 8:42 PM after again thanking our speaker.
